CRUISE LINE

DECK A

home to “The Gallery” , the main restaurant serving international dishes in a cozy contemporary setting.

Enjoy a variety of different themed nights such as our renowned set menu seafood night serving different recipes from all around the world fresh from the kitchen to the table.

MANDARIN
CRUISE LINE

DECK B

The sea level deck with the reception area, check in counter and the entrance to the cruise ship.

Sit back and enjoy your favorite beverage with the Nile and a carefully curated area featuring our antique grand piano and the grand staircase.

Complimentary high-speed Wi-Fi available to all guests at the reception area.

22 junior suites are also located on this level with a beautiful view directly over the Nile.

MANDARIN
CRUISE LINE

DECK C

The mezzanine level is right above our reception with additional lounges and seating options.

The area has an open view over the reception which gives the whole space an grand feeling.

With carefully curated pieces inspired by pharaonic heritage, you will want to splurge at the Grand Mandarin boutique located on this floor.

Shop like a pharaoh for traditional Egyptian clothes, perfect attire for the Egyptian disco party we throw in our bar “Tokyo”.

24 junior suites and our two royal suites “Nefertiti” and “Cleopatra” are also located on this floor. Both royal suites have balconies with a seating area and unobstructed Nile views as well as an array of Ancient Egyptian landmarks on the river banks while we sail.
